Dear Coach

Hello and welcome to the netball coaching family in London and the South East!

As the Surrey and South West London Netball Development Officer I am not only here to support Netball across the county but also here to support you in your coaching journey.

I know there are many of you out there that are coaching every spare second you can to get more people playing netball more often, which is fantastic! However, if you are looking for more ways to get involved then there are always coaching opportunities in Surrey that I can link you up to, so please don't hesitate to get in touch. Opportunities include coaching at Back to Netball sessions, Club sessions, Satellite Club sessions, one off events and many more!

We also run a number of coaching workshops to help keep you sharp and up to date with practices. These workshops can give you new ideas for sessions you will be running. We can also keep you in the loop with any funding opportunities should you wish to progress your coaching.

We'll add you to our coaching contacts list but if you wish to be taken off this at any time please drop me and email.

If you are interested in hearing more please contact Jessica Edwards Surrey and South West London Netball Development Officer on 07738 696857 or jessica.edwards@englandnetball.co.uk.

Remember to follow on Twitter and on Facebook for updates and general netball chit-chat!
