METROPOLITAN NETBALL LEAGUE

SEASON 2010/2011

A difficult Season for many Clubs, due to very bad weather conditions, but every effort was made to play cancelled games.

All teams in Division 1 played all games. However in another Division 15 points were awarded to one Club for their Home matches, which resulted in unfair end-of Season positioning.

RESULTS	WINNERS
DIVISION 1	H.S."A"
DIVISION 2	Late Result Purley A
DIVISION 3	TIFFIN
DIVISION 4	WANDSWORTH
DIVISION 5	ALPHA "B"
DIVISION 6	PLEIADES "C"
DIVISION 7	ROUNDWOOD "C"

I end on a pleasant note - the Result of a match in Division 6 :-

HIGHLANDERS "B" 72 v HILLCREST "B" 69

(Total Goals 141)

Will this ever be beaten?
