

# Surrey County Netball League

## Data Protection Policy

The General Data Protection Regulation (GDPR) came into force on 25<sup>th</sup> May 2018. Whilst technically it only applies to Professional or Commercial Activities, it is not certain whether it would apply to Netball Leagues and Clubs. In view of the level of data SCNL receives, it is considered, as a matter of good practice, that SCNL should adopt a Data Protection Policy and Privacy Notice in accordance with the requirements of the GDPR, both of which are available on the SCNL website [www.surreynetball.co.uk](http://www.surreynetball.co.uk)

SCNL collects and retains data only for specific purposes of the administration of SCNL, which includes but is not limited to membership, competitions, matches, forums, education and general information. SCNL does not use the data nor pass it on to third parties for marketing purposes or to create personality or user profiles, the exception being the data provided to England Netball in respect of which we would refer you to England Netball's own Data Protection Policy.

There are Nine Data Protection Principles which SCNL look to comply with when processing personal data, in the course of its activities, as a Non-Profit Association.

SCNL will use reasonable endeavours to ensure the Data Protection Principles are complied with by all its committee members, personnel and suppliers.

### **The Data Protection Principles:**

The association will look to uphold and comply with the following nine Data Protection Principles when processing personal data:

1. Fairness and Transparency:

Data will be processed fairly, and individuals may be provided with information about how and why their personal data is processed on request.

2. Lawful Processing:

SCNL will only process personal data, including sensitive personal data, lawfully where it has a valid basis for such processing.

3. Purpose Limitation:

SCNL will only collect personal data for a specific, explicit and legitimate purpose.
