

Richard Challoner SPORTS CENTRE

Floodlit Netball Courts

Richard Challoner Sports Centre are looking to create 3 Floodlit Netball Courts on our existing Multi Use Games Area. We are now looking for clubs who may be interested in using the facility if we proceed. We can offer the following:

Up to 3 Floodlit Courts on a perfect tarmac surface

Weekday training/matches under floodlights and weekend matches

Changing rooms and showers as well as an area for refreshments

No current users so gives you the ability to select your ideal training night.

Easy accessibility - we are situated just off the A3

Competitive pricing. Currently £25 per court per hour but this is definitely negotiable for clubs interested in long term bookings

If this is a facility that your club would make use of, please contact Colin Smith on the number below to arrange a viewing or for further information.
